Report of Police Patrol

The undersigned has made the following observations while on patrol and has compiled the statistics set forth from the log kept during patrol hours. These statistics are submitted purely as an indication of what occurred during patrol and as a possible reference for future policing operations.

Total number of patrol hours; covering a period from Sunday, July 3, 1966 to September 5, 1966, plus two weekends during foliage time—Total 481 hours.

Patrol time was divided roughly into 60% motor patrol within the limits of the Town of Jefferson and so distributed that about once every four days the outer areas such as Ingerson Road, Turnpike, North Road, etc. were covered and isolated areas checked; and 40% foot patrol which was chiefly in Village, Waumbec, Santa's Village areas.

Four Church crossings were covered each Sunday:

Highland Chapel (Lutheran)
St. John's (Methodist)
Holy Trinity Chapel (Episcopal)
St. Agnes (Catholic)

Over 496 cars were handled in the total of Church traffic covered; either to or from parking areas at the said churches.

Total gatherings dispersed (undesirable)	5
Trespass complaints investigated	11
Burglary investigations	2
Auto accidents covered	6
Road breakdown assists	3
Arrests	2
Dances supervised	2
Unauthorized parkers dispersed	14
Weddings covered	1
Disorder calls	5
Fraud cases investigated	2

It was noted that after the first week of patrol the average speed of vehicle traffic through village on U. S. 2 decreased, especially in the case of long haul trucks on which complaints had been received.

Trespass parking practically ceased to exist in outer districts near unoccupied homes, etc.

61 visits were made in respect to unpaid dog licenses during which a common statement was made—"I will pay if they make so-and-so pay." No problems were experienced during the dog census check.

Approximately 60 to 70 dollars were spent by undersigned in motor patrol, especially to outer districts of Jefferson; comments in these areas in respect to the patrol check were quite favorable.

Respectfully submitted,

CURTIS L. BADER

We wish to thank all those who have helped us this year with gifts of books, including the Weeks Memorial Library in Lancaster, and the Berlin City Library. The $310.00 grant from the State Library has given us great help in the youth department.

Sally Corrigan and Diana Waterous helped with the summer reading program, and Mrs. Wilma Corrigan, Mrs. Shirley Ingerson and Mrs. Jean Waterous made possible an afternoon of movies for the children on August 19th.

This year, the Library has been open Wednesday evenings from 7 to 8 p.m., which has proved most successful. Our circulation has increased 65% over 1965.

If we continue to be affiliated with the State-wide Library System, we will be required to keep our Library open more hours, increasing these gradually until 1972. Costs for

salaries and fuel will increase a little each year, and we hope the Town will be willing to support this small extra cost in the interests of a much better Library. This year we will receive from the State $100.00 worth of reference books.

We would like to call to your attention the magazines which we have for your use: Time, Look, New Hampshire Profiles, National Geographic, Popular Science and McCall's.

Librarian

Health Report

Mr. Vyron D. Lowe III
Town Clerk
Jefferson, N. H.

To the Citizens of the Town of Jefferson:

During 1966, 250 visits were made in the community, and they are classified as follows:

Adminis. and Promotion	3	Injury	8
Antepartum	4	Mental Health	12
Cardiac	5	Premature	11
Crippled Children's Serv.	18	Postpartum	11
Diabetes	2	School	11
Health Supervision	161	Sight Conservation	2

Four children have attended the Crippled Children's Clinics and one child has attended the Pediatric Cardiology Clinic.

Twenty-two physical examinations were given at the Well Child Conferences, and sixty-six immunizations were administered.

One hundred-one individuals participated in the Heaf testing program for the detection of tuberculosis.

There is a crucial need at this time, for communities to develop an over-all plan that will insure continuity of nursing service from the hospital to the home, or from the home to the hospital.

Nursing is one of the essential services in any community health plan or program.

The citizens in any community or area have a direct responsibility, therefore, to make sure that needed continued nursing care is provided for men, women and children as they move to any place where care may be given.

Each community needs to develop or improve a community centered or area centered plan, which will enable its citizens to have better and more complete nursing care available to them and their families when needed.

How many of your citizens who should be receiving benefits from the Medicare Program are unable to do so because you do not have a community centered or area centered plan to meet their needs?

Now, is the time for action by all citizens of your community.

It is always a pleasure to serve the Citizens of Jefferson, and I extend my gratitude to them for their cooperation during the past year.
